NO-CONTACT drop-off and pick-up of pillow case kits available to your house (for most guild members). We are making pillow cases for Maryhaven women and children, as well as for Children's hospital. Please contact Pam Aylor at 614-325-2800 (call or text) to make arrangements.

Also, we have a couple bags of fabric of various odd sizes or prints that would not make good pillow cases. If you want to look through them (in-person or virtually), please contact Pam.

### Upcoming Challenges —

#### PRECUT PREDICAMENT -

##### Due at November Meeting

Most of us have at least one pack of charm squares lying around. This challenge is to actually use those precuts in a project. Use up your charm packs, layer cakes, jelly rolls, etc. There are tons of patterns on the internet or you can make up your own. (If you don't have precuts you can make your own out of scraps from larger pieces of fabric.)

Planning is underway for FWF 2022. Ideas under consideration:

- ◆ Round Robin Mystery
- ◆ Quilt Along
- ◆ Challenges: color, technique, design
- ◆ Project with Service Committee

If you have a suggestion, request, or feedback from past projects please reach out to any FWF Committee member.

The November Raffle Basket is **Naughty or Nice**. It will be filled with all sorts of holiday themed goodies. The drawing will be at the end of the meeting. Tickets are \$1 or 6 for \$5.

## National Mousse Day — November 30

National Mousse Day is celebrated on November 30 every year, and we can't wait to whip up some lovey-dovey sweetness for our near and dear

ones. If you're fond of decadent desserts, you should definitely get the most out of this food holiday. Did you know that the word 'mousse' is derived from French? In Old French, it means 'froth' or 'foam'. As the name suggests, this appetizer is made by beating egg whites and cream until they turn light and fluffy like foam. Although it is more popularly served as a dessert, mousse can also be prepared as a savory. Depending on the type of mousse, its consistency can vary from thick and creamy to light and airy. Originally prepared in France, mousse found its way into the United States only in the late 19th century. And aren't we all glad that it did?
