## 2022 WQG Challenges

**Homebound** Due: April 26, 2022

As we have been housebound for almost two years, we should all have a renewed appreciation for home. This could be a house block, a log cabin inspired quilt, or maybe a castle block; whatever speaks of home to you.

**Thank You for Your Service**  
Due: July 26, 2022

**Precocious Precuts**  
Due: October 25, 2022

**Mystery Challenge - Round Robin Riddle**  
Due: November 29, 2022

**ROUND  
ROBIN**

This year's mystery is a departure from our previous mystery challenges. This mystery challenge is based on the once popular Round Robin Quilt challenge.

For our mystery challenge you will do all of the work yourself.

In theory, Round Robins result in Medallion style quilts. We are going to loosen requirements to allow non-traditionalists some creative leeway.

Aside from the "border" instructions, the only requirement is that consecutive months must touch. Thus, month three must touch/about month two; month four must touch/about month three, etc. This allows for a row-on-row or something more freeform to be acceptable; as long as the monthly addition touches/abuts work from the previous month. (Small borders to add separation/impact or larger areas of negative space for quilting motifs are also accepted and encouraged.)

Round #1 — Focal block — something pointy

Round #2 — Border #1 — something pieced

**Queen Bee Block Party** Due: Monthly

The Queen Bee Block Party is a great introduction to new blocks, techniques, and colorways. Each month the designated Queen Bee provides requirements to the Worker Bees each Worker Bee makes one block following the provided instructions. Blocks are due to the Queen Bee at the following meeting.

February—Shannon B. (due March)

There has been a change in the schedule for the Queen Bee:

March — Judy O. (due April)

August — Lisa S. (due September)

And, of course, we are accepting any pillow cases you have made!

## June Meeting Reminder

For the June meeting we'll be doing a garage sale. As you do your "spring cleaning," remember to set aside things for the garage sale. So, if you have anything that says "Why on earth did I buy this?" Let's turn it into someone else's treasure! More details will follow in the next few months.

The March Raffle Basket is **Sewing!** It will be filled with all sorts of sewing themed goodies. The drawing will be at the end of the meeting. Tickets are \$1 or 6 for \$5.

## National Craft Month — March 2022

Craft month was created back in 1994 by the Craft and Hobby Association. Intended to help everyone redis-

cover the joy of crafting, it's a month that's all about learning new crafts, finding a new favorite handy hobby or perhaps revisiting a hobby you used to love back in the day.

In this month, crafters get together and get their hands dirty sticking, sewing, knitting, cutting, pasting, coloring, painting - and they are sure to tell you that there are very few better ways to explore your creativity than just letting loose and making whatever your heart tells you to.
