## Hexagons

What do you think of when somebody talks about hexagon quilts? Probably the Grandmother's Flower Garden quilt, right? This month we are going to explore a bit of the history of hexagon quilts, some traditional patterns and some updated patterns. We are also going to show how many ways you can make a hexagon for a

quilt and a couple unique projects using non-traditional materials. You may even be tempted to make a hexagon project after you see our samples!

## 2017 Program Sneak Peek

**October 24, 2017**

Judy Theil & Jeff Bretthauer — Hexagons

**November 28, 2017 — Holiday Party**

Carol Cleaves, Janice Baer, Exie Lundquist, Gail Hoover, & Barbara Vance

This month's quilt raffle is provided by Ida Dillard and Marilyn Lundquist. The "Coffee Time" basket is filled with all sorts of things to satisfy your

caffeine crave including fabric, magazines, gift cards to treat yourself to a few coffee treats and more. Tickets are \$1 each or 6 for \$5. Drawing will be held at the end of the meeting.

### Fun with Fabric

Did you accept the Crayon Challenge? You had to use the crayon colors that corresponded to your three initials and make something using those colors. Projects are due this month and we can't wait to see them!

## Holiday Party Update (Continued from page 1)

sure. After dinner, we will share our items and stories one at a time. If you would not like to talk about your item, it is ok to pass on the oral presentation.

If you wish to donate, we will be collecting new scarves and gloves for WARM.

**Christmas Exchange:** What is your favorite sewing aid you think no one should be without? Fun With Fabric came up with the idea for this grab bag. Make sure it is related to sewing, and around \$10. We will number the mystery gifts to distribute. PLEASE do not spend more for a gift and then get upset because you did not get that quality in return.

**Quilted Ornaments:** We would love to see your quilted, fabric ornaments! Original ideas will be rewarded. Gail's were not original, they were from Pinterest. Understand that people might use your ideas, or put a twist on them. The twist makes them original and may inspired others to twist on. Be an inspiration!

## Today is National Bologna Day

National Bologna Day is a full of baloney!

Properly spelled Bologna, it is sometimes spelled "Baloney". It is pronounced like the latter spelling. Bologna is a sausage. It's commonly used as a luncheon meat.

When it comes to bologna, there definitely is variety. There is what you and I would call regular Bologna, German Bologna, Beef Bologna, Kosher Bologna, and more. Depending upon the kind of Bologna, it could include pork, beef, chicken, and spices.

It's easy to enjoy National Bologna Day. Have a Bologna sandwich. Try fried bologna. And, don't forget the mustard.

Drive up to Waldo and stop at [G&R Tavern](#) for their famous Fried Bologna Sandwich! G&R Tavern is at 103 N Marion Street, Waldo, Ohio 43356.

"...people come from far and wide for our famous fried bologna sandwich... This isn't just any fried bologna sandwich - it's a  $\frac{3}{4}$ -inch thick slab of the finest bologna, it's our own recipe, you'll ever taste - spicy and garlicky and slightly coarse. It's fried until the outside is browned and crisp and put onto a white bun with the normal condiments of Monterey jack cheese, sweet pickles, and onions."
