October 26, 2021

Jeff Bretthauer, Judy Theil, & Ruthie Hoover,
Presidents-of-the-Month

Cheryl Taylor

Ladies, bring your hankies to the meeting! Cheryl is going to show us how to turn our vintage hankies into lovely little dresses (as in the photo on the left) and show us her fabulous "clothesline" quilt. From her beginning to quilt in 1999 until now, Cheryl has sewn and designed, quilted, authored 3 books, created 6 patterns, and had her designs on 12 magazine covers. On top of all that, she is a super person, someone you will want to know. She has copies of her books and patterns that she can sell to anyone interested. Come with your hankies and enjoy the evening!

Westerville Quilt Guild Needs You!

Now is the time to start thinking about being President-of-the-Month in 2022! It's easy, fun, and you can decide what you want to present or who you would like to get to present to the members. Come up with an idea yourself, or get together with some quilting friends and come up with a meeting idea! So let's get started with sign ups for next year...there's only October and November meetings left in 2021! We need you!

SOCIAL TIME - Meet and Greet - Arrive Early When You Can...

Start gathering around 6:30. Greet friends & MEET new members. **Members:** This month make sure you find someone you would like to know better, a new member or guest, and introduce yourself. **New Members/Guests:** If you are a new member/guest, approach someone you don't know and introduce yourself. Learn a little about the other person and share a bit about yourself! We are a friendly bunch!

We meet on the 4th Tuesday of each month, 6:30 pm Social Time, 7:00 p.m. Meeting, at St. Paul Lutheran Church, 4686 East Walnut Street, Westerville, OH 43081, Web Site: <http://www.WestervilleQuiltGuild.com>, E-mail: westervillequiltguild@gmail.com

Upcoming Challenges —

PRECUT PREDICAMENT - Due at November Meeting

Most of us have at least one pack of charm squares lying around. This challenge is to actually use those precuts in a project. Use up your charm packs, layer cakes, jelly rolls, etc. There are tons of patterns on the internet or you can make up your own. (If you don't have precuts you can make your own out of scraps from larger pieces of fabric.)

Howl at the Moon Day/Night — October 26

The name of the holiday comes from the belief that wolves howl at the Moon. According to lore, on a full Moon night, wolves upturn their head towards the Moon and communicate with it by howling. Images of wolves with their heads turned towards the sky, howling with a full Moon in the background are commonplace today.

There is, however, absolutely no scientific evidence connecting Moon phases and wolf activities. Research has shown that wolves howl to communicate with the rest of their pack. Because they are nocturnal - they hunt for food at night and sleep during the day - they tend to howl at night. They turn their heads up when howling because doing so helps carry their sounds further.

It encourages people to go out during the day or night and howl at the Moon.
