## Fun With Fabric 2022

### Thank You for Your Service

Due: July 26, 2022

Red, white, and blue quilts to be donated to the Columbus Honor Flight Crew.

#### Quilt requirements:

- Made with patriotic material, but adult masculine material will also work well. (Please, no branch of service specific material. It's too difficult to match up in the welcome home receiving line.)
- Quilted (Fleece tied, knitted, or crocheted, or are also accepted by the Honor Flight crew.)
- Size
  - ♦ There is a specific call out for 40" x 40" quilts to be used with wheel chairs.
  - ♦ Other preferred sizes are approximately 36" x 45. Bigger sizes will be accepted but quilts should be lap size rather than bed size.
- Labels - WQG will be providing labels for the quilts. Please add your name to the sign up sheet at the Fun With Fabric table so we can get an estimate of how many labels we will need. Please put your name down if you think you will participate. Signing up isn't a commitment to complete the quilt on time. We just need to get an estimate of how many labels we need.

#### Optional:

You can attach a note with your name and address so that the veteran receiving your quilt can thank you personally. (Please attach directly to the blanket by safety pin, tying, etc.)

### Precocious Precuts

## National Iced Tea Month

As the temperature heats up in June, it's a perfect time to celebrate National Iced Tea Month!

Brewing the ideal pitcher of iced tea is a matter of taste. Depending on your taste, you may prefer sun tea, sweet tea or unsweetened tea. Perhaps your palate leans more toward a fruitier tea or a stronger type of tea. As long as it's iced, June is the month your tea is celebrated.

Iced tea was made as early as the 1870s, but an English merchant by the name of Richard Belchynden brought the beverage to popularity.

During the 1904 World's Fair in St. Louis temperatures began to soar. Belchynden crossed the Atlantic to sell black tea steeped hot and served to the American public. Under the conditions, fairgoers were interested in cooler beverages. Belchynden needed to switch strategies, or he would have no sales. By brewing a stronger tea and pouring it over ice, the merchant created a new product to sell.

### HOW TO OBSERVE

Pour yourself a glass of iced tea and enjoy! What is your favorite way to enjoy it? Kicking back on the porch or with a good friend?
