

# Fun with Holiday Stockings!

The *Fun with Fabric Committee* invites Westerville Quilt Guild members to participate in a stocking challenge.

## The rules are:

1. No smaller than 12" long.
2. No larger than 24" long.
3. Use traditional holiday, flannel, or novelty fabric.
4. Embellishments are welcome. Buttons, yo-yos, ribbon, metallic threads, and more are great! Use your imagination.
5. Use the following websites for your stocking patterns. Or use your own pattern.
6. Pin an index card with your name written on it to the bottom of the stocking.
7. Stockings are DUE (prior to 6:30 PM start time) at the December 1, 2015 holiday meeting.

## **Website Patterns (if the links don't re-direct you to the websites, copy and paste the URLs into your browser):**

- Both sites have good instructions.
- One is a smaller stocking with a video by Eleanor Burns. The pattern that Eleanor Burns shows is a 9" x 12" - it's a smaller size.
