## **Everything You've Ever Wanted to Know About Wool Felt**

Do you know the difference between?

**Felted wool - Boiled wool - Wool felt??**

Come to the October 24<sup>th</sup> meeting and you'll find out! We're planning a fun-filled evening of learning and doing - all in a folk art theme. We'll supply some fun and interesting information about wool felt - what, where, when, and how it became popular. We'll also supply a kit for each attendee to create a small, fun seasonal ornament to take home. All you need to bring are some really basic sewing supplies, and, if you already have created projects using this fun, "old timey" material, please bring some along for show 'n tell. If you've never done this before - we'll show you how; if you're an expert - jump in and help a novice - and a good time will be had by all!

*Really Basic sewing supplies:*

1. Sharp scissors for cutting out tiny pattern pieces.
2. Needle threader if you have/need one.
