## All About EQ6

Justine McKenna of The Glass Thimble will be giving a presentation on EQ6. She plans to talk about this software and how she has used it for the Civil War Program at the shop.

## Sesquicentennial Quilt Update!

We are making progress on the quilt. The eight pieced blocks are due at the June meeting. If you had volunteered to make a block, be sure to include notes for corrections or suggestions for constructing your block. This will be helpful for writing the final directions for the pattern. Teri is working on finalizing the dimensions of the quilt. We will be scheduling a time in July to put the top together so we will be asking for members to volunteer for this process. Thanks to everyone.

2008 Workshop Survey Results (21 Voters)

### 2008 Workshop Survey Results

There were 21 voters on the survey as of this weekend. I will be presenting the results at the June meeting along with a few additional ideas that I came up with while attending NQA workshops.

Just to give you a *teaser* on the results — one of the workshops was way down at the bottom and the other two were very close for 1st and 2nd choice! You'll find out which ones at the meeting. Then I'll add another one and let you all choose between the survey winner and the new one — and we can always have more than one workshop! We can have a Fall and a Spring Workshop if that's what you all want — it's your Guild!
